Planning for the Future When You Do Not Have Children

Join us for an informative webinar with Childfree Trust and Emerald Communities designed for childfree and permanently childless adults who want to protect their wishes, finances, and well-being.

What You Will Learn

- How childfree and permanently childless adults can build a reliable decision making support system
- How to ensure your medical wishes are respected
- How to protect your finances and estate plans
- How to plan for unexpected life events

Who Should Attend

- Childfree and Permanently Childless adults
- Solo agers planning for the future
- Individuals without family nearby
- Anyone who wants a clear, professional plan for decision making support

Our Speakers

Maddy Roche
Chief Growth Officer
Childfree Trust

Sandra Cook
VP of Marketing and PR
Emerald Communities

Childfree Trust is the first nationwide solution providing professional medical and financial power of attorney, executor, and trustee representation specifically for childfree and permanently childless individuals. Through a patented system, members create detailed estate documents and personalized care plans—including provisions for beloved pets. With 24/7 emergency support, a trusted partner is always available to step in and protect their wishes.
